WTAMU is truly at the heart of cowboy country in Canyon, TX. This is proven true as WTAMU boasts past national championships for both WT Rodeo and Equestrian programs. However this success does not come without a price. Upholding the cowboy heritage that this area so highly values comes with rising costs of horse feed and transportation costs. This West Texas Timed Event Championship fundraiser is meant to help both of these teams continue their winning traditions despite the high cost of equine competitions.

A special thank you to our entertainment: Mike Hammock

“There are singers and then there are vocal stylists, they stand apart, they have a “sound” all their own, you can’t confuse them with anyone else...and when they perform, you’re with them from the first note. They could sing the weather forecast and you’d listen! ...Mike Hammock is a vocal stylist”, says Rich Miller, former WSM radio host

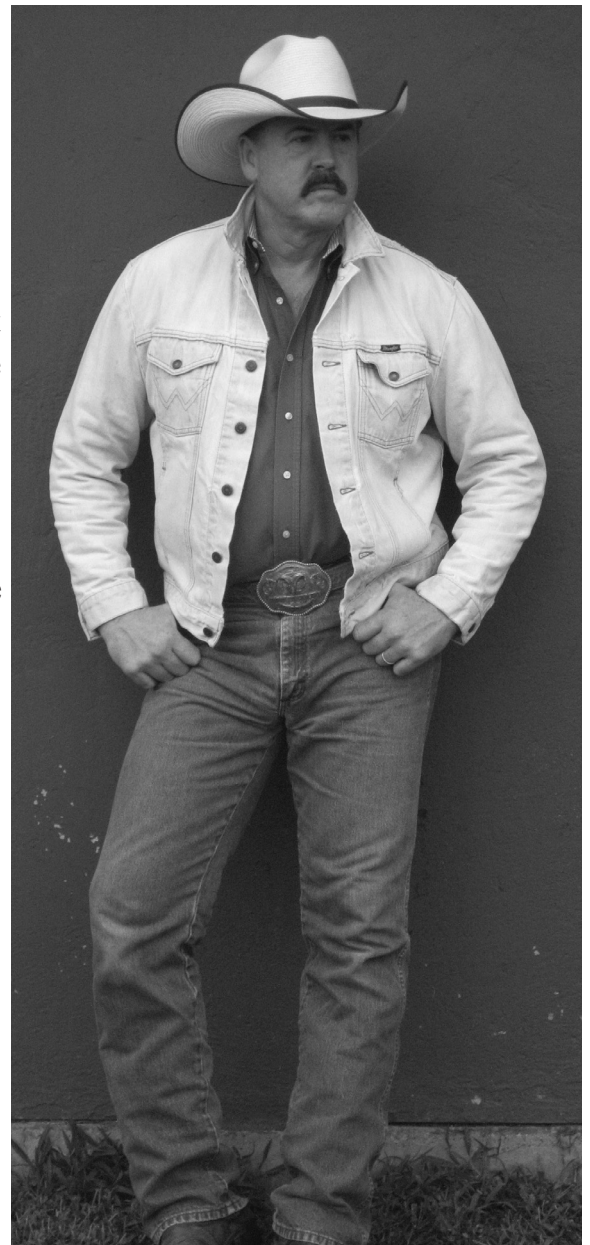

and current host of the syndicated radio program Power Source Top 20 Countdown in Nashville, Tn. This easy going Texas cowboy has a style all his own that stands out from the crowd. His smooth, rich baritone vocals draws his audience in from the moment he begins. Mike Hammock started his singing career in the “opry” houses all over Texas before going on to write, record, and perform some of the most inspiring music on the Inspirational Country Music scene today.

In 2004 Mike was voted Male Vocalist of the Year in Inspirational Country Music. He received his award at the legendary Ryman Auditorium in Nashville, Tn. where he performed live on the GAC network broadcast live worldwide.

In 2006 he was named Entertainer of the Year at ICMA award show in Nashville.

Mike has four CD projects to his credit which have produced several number one singles and many top ten hits on the Inspirational Country Music charts.

Three Star Memorial Scholarships

In addition to prize money, there are also three WTAMU scholarships to be won at the West Texas Timed Event Championship.

- \$2500 for the highest placing high school student
- \$2500 highest placing current WTAMU student
- \$2500 highest placing eligible girl in the breakaway

These scholarships are given by the Three Star Memorial Scholarship Fund. This scholarship fund was started in memory of Todd Fincher, Jody Hart and C.M. Kuhlman. The three young men lost their lives tragically in 1996. They were avid team ropers and big supporters of the world of rodeo. The goal of the scholarship fund is to make sure that young students struggling to make it through school will have it just a little easier.
